iKI FIT WITH KIM BROOMBY

IkiFit engages students in fundamental movement skills as well as it addressing behaviour management issues including safety, respect and cooperation.

Kim Broomby is trained in IkiFit and will be at the centre throughout the term teaching our Garden and Star children these skills.

We are here to help

If you are in a hurry in the morning and need some help with unpacking bags or settling your child please do not hesitate to ask as we are only too pleased to help.

On Friday, we planted a Claret Ash Tree in our play ground as part of the National Tree Day. Everyone helped dig the hole as the tree was very tall. We hope this will be a way of teaching the children how to care for the trees and plants at the centre.
