## Street Stall

Lorene Hazell did a fantastic job organising the street stall for the centre. It raised \$1,200.35 plus over \$400 from the raffle. Thank you to

everyone that helped in every way to make it so successful. The Committee have applied to the council to hold a stall again next year.

## Parent /teacher Interviews

Staff will be available to discuss your child's progress from Monday 5<sup>th</sup> to Friday 9<sup>th</sup> December. If you would like to have an interview please place your name on the list that is in the sign in/out books for each room.

**I urge all families to take advantage of this opportunity to speak to the people who care for your child while at the centre.**

If you can't make it that week and you would like to meet with your child's educator please see the staff and they will arrange a meeting at a time that suits.

## Head Lice

There have been a case of head lice reported to the centre. To stop the transmission of head lice, all families need to check your child's hair and treat if you find lice or eggs. This is the only way to stop the spread. A child will be excluded from the centre if there is a confirmed case. The child will be allowed to return once appropriate treatment has started.

## Library Books

For us to keep track of our Library books we ask that all books be returned to the centre by Friday 9<sup>th</sup> December 2016
