## From The Director's Desk

This is the final newsletter for the year and I would like to take this opportunity to thank you all for a wonderful year. I speak for all the staff when I say it has been a pleasure to have your children in our care. We wish all the children that are going to school a very happy start to the next stage in their lives. And for all the children that will be back next year we look forward to seeing you in 2009. It is hard to believe that it is already the end of the year and we are thinking about Christmas and planning for 2009.

## President's Message

What a great year it has been. I would like to thank the Committee, the Staff and Sharon for all of their hard work in 2008. Sharon has taken on her role as Director with determination and enthusiasm and we have all enjoyed watching the Centre's continued success under her guidance.

The Committee has been very busy over the past 12 months. The renovations to the Red and Green Rooms are now complete and the new covered outdoor area has been a great addition for the children. The Centre's website is up and running and the Committee is looking forward to new and exciting things to come in the year ahead. Our next project will be the revamping of the Rainbow Room playground and gardens.

The Committee is currently advertising for two positions to be filled in the new year. The Centre's enrolments have increased remarkably which is a reflection on the quality of our Centre.

On behalf of the Management Committee I would like to wish everyone a safe and happy Christmas and we look forward to seeing you all in 2009.
