## New Resources

On Friday the centre took delivery of new resources for Quandialla and Grenfell preschools. The afterschool care children helped open some of the boxes while the Garden Room staff and children opened the others. Just listening to the children and their comments was great as they were very keen to get in and use them. The Garden Room had been waiting for the new multi cultural dress ups to arrive to further their interest on different countries.

### REMINDERS

**It is important that you sign in and out of the centre. There have been a lot of people not signing and we asked that you please remember to do so**

#### Lost Property

Please check the lost property box for items you may have been left at the centre

## Little yard up Date

The landscapers were at the centre on Monday to pour cement which means it is getting a little closer to having it completed. Hopefully we will see lots more action happening this week

## Fire Drills

To ensure that staff and children are familiar with evacuation procedure the centre conducts fire drill every term. Last week we held one on Monday Wednesday and Friday and this week we will hold one on Tuesday and Thursday Quandialla Preschool also conduct them every term.

## Congratulations to Centa Care for suggesting the Family expo in the Park

What a fantastic afternoon it was in the Park on Saturday. Lots of activities and give aways, for the families and it was a great way to meet new people.

The Grenfell preschool and long day Care stand painted faces from 4pm to about 6.45pm and had very happy customers when they looked at their faces in the mirror. Thanks must go to Belinda Emily, Lyn and my daughter Demelza for the all the time they sat and painted the faces
