Bus Service

Transport is available to and from the Grenfell Preschool and Long Day Care Centre for children attending daily Long Day Care or Preschool sessions, or *before and after school care* dependent on seating availability. It is primarily the family's responsibility to contact the applicable rural bus operator for these journeys and arrange for their child to travel to and/or from the preschool. For children attending *after school care*, the parents should also communicate with the relevant school. Parents must also complete a Bus Permission note prior to any bus travel authorised person.

Bus Requirements:

- Children must be over three years of age to access the bus.
- Parents must confirm bus utilisation upon booking. Bus forms must be completed before a child may access Loader's Bus.
- Parents must inform the applicable bus operator they wish to access the bus.
- Rural bus fare is \$1.00/ journey for the Loader's connecting bus service payable on invoice and as per arranged amount for other journeys payable to the applicable operator.

If you are changing your child's travel arrangements for the day it is important that the you contact the centre no later than 2:30 pm so we can have your children ready for the bus to leave the centre at 3:00pm

The Children from the Star room will be conducting two excursions next week. One will be an excursion walk down the main street at Grenfell visiting some shops and calling to buy bread and sausages to have a BBQ back at the preschool. The other excursion will be to the MPS to visit the elderly residents and perform some songs for them as well as having morning tea. Notes will be going home asking permission for your child to attend.
